We received two girls from 336th Flying Corps, and we'd like to add them to—... Yes. Thank you.
...Ah, hello. Federica here. Good to hear you again.

Um, who was that just now?
Phew... That should do it.
ding

Oh! And... One of the girls broke her Striker, so we could use a new one... Yes, a P-51.
Sorry for the requests all the time. Maybe I'll drop by next time I find some time. Okay, bye.

EH?!
shock
Hm? The Duke of Romagna?

I used my influence to call another two new members. Would you like to bring anyone forward, Takei?
There might be some appropriate witches in the newly arrived fleet from Fuso.
H— how connected is this person...?
Oh... Is— is that so...? Ahaha...
Aah! That's a load off my shoulders!
Crack
Wahaa! This is working out great. We have as good as filled up!
I don't quite understand her, but...
she has a mysterious charm.
Indeed. For a Joint Fighter Wing that's enough.

Y— yeah, we pretty much are.
B— by the way, Miss Jane. Are you always together with Miss Dominica?
I see...

Wha—

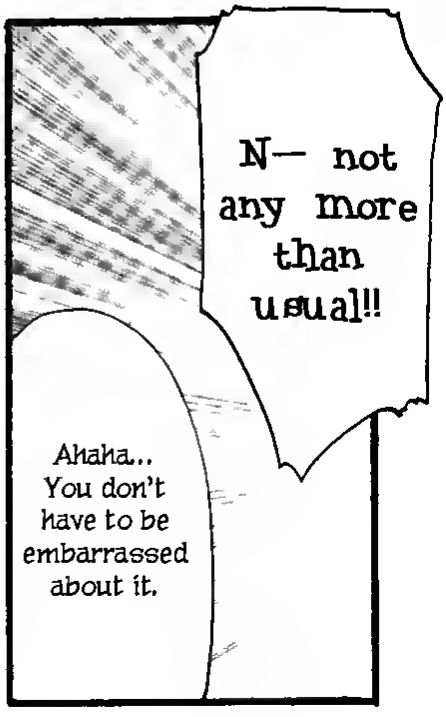
So you two must be pretty chummy, huh?!
Pssft



N— not any more than usual!!
Ahaha... You don't have to be embarrassed about it.

We girls from the Red Pants Unit are close, too!
Out here, things aren't so different from being a family.

You're right.

But while she works hard at her job to earn a living, I hope she realizes I care about her safety.
I'm worried about that from time to time.
And I... don't mind looking after her. I like Don's free-spirited personality...
Jane...

The throttle sure responds slow...
Is it set to prefer shields?

I just want to keep everyone safe.
I'm not here to make money with my kill count.
